Violence

- Campers must be aware that physical violence is never the solution to any problem.
- Parents will be informed of a child who uses physical violence against a staff member or fellow camper. Violent behaviour, or threats of violence can result in a camper being sent home for the day or dismissed from the program without a refund.

Insubordination

- Staff should ensure campers are aware of and respectful of the camp rules. As well, staff should ensure campers are following the instructions of their counsellors and other staff employed at hop! skip! jump!
- Behaviour contrary to camp or hop! skip! jump! rules can be harmful to staff and dangerous to campers. Serious disregard may result in parents being informed and, if necessary, the camper being sent home for the day or dismissed from camp without a refund.

Discipline

Procedure for Discipline:

- Staff will redirect the camper to more appropriate behaviour
- If inappropriate behaviour continues, the camper will be reminded of the rules and expectations and the camper will be asked to decide on action steps to correct his/her behaviour (if they cannot decide on steps on their own a staff member will assist)
- If a child's behaviour still does not meet expectations, he/she will be directed to the camp coordinator
- If inappropriate behaviour continues, the parents/guardian of the camper will be contacted and notified of the behaviour incident. Depending on the behaviour parents may be asked to pick their child up from camp. You will be asked to provide strategies for controlling the behaviour.
